INVITATION TO SPAIN-KOREA OCEAN FORUM 2019

On behalf of the Korea Maritime Institute (KMI), we are pleased to invite you to Spain-Korea Ocean Forum 2019 to be held at the Sala 26 de Abril, University of Las Palmas de Gran Canaria (ULPGC), Spain on Tuesday, 11th June, 2019.

Spain-Korea Ocean Forum is the annual forum where researchers could introduce results and trends of each country's oceans and fisheries research and explore ways to cooperate for mutual development.

Under the theme of "Research Cooperation for Seaweed Aquaculture Innovation between Europe and Korea", various programs including plenary lectures and social programs will be provided.

We would be pleased and honored if you decide to take part in the ceremony and share your expertise on the topic with our participants. Your knowledge would be an excellent addition to our program.
